¹ Access data will follow

² Please register on TUMonline at the course number: 0000005750

³ Access data will follow

Freshmen Days 2021 – Program

external Master Chemical Engineering

Monday, 11.10.2021

From 4pm Online-Speedfriending¹

Tuesday, 12.10.2021

All in presence, meeting point in front of the chemistry faculty

From 4pm campus- and faculty tour, we will finish the evening in the C2 (Campus-Cneipe)

Wednesday, 13.10.2021

Selection of library tours² (all online, please choose one)

11am – 12am library tour (german)

2:30pm - 3:30pm library tour (english)

4pm – 5pm library tour (german)

Thursday, 14.10.2021

(all online)¹

4pm – 4:45pm official welcome by faculty, student council and AStA

4:45pm – 5:45pm Course introduction by students from higher semesters

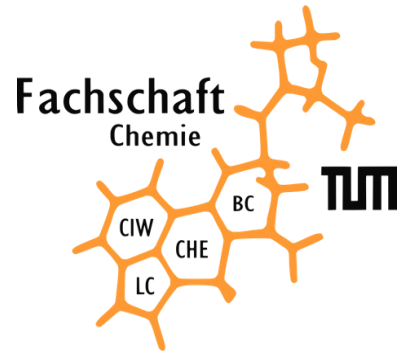

6pm – 6:30pm IT-introduction

¹ Access data will follow

² Please register on TUMonline at the course number: 0000005750

Freshmen Days 2021 – Program

external Master Biochemistry

Monday, 11.10.2021

From 4pm Online-Speedfriending¹

Tuesday, 12.10.2021

All in presence, meeting point in front of the chemistry faculty

From 4pm campus- and faculty tour, we will finish the evening in the C2 (Campus-Cneipe)

Wednesday, 13.10.2021

Selection of library tours² (all online, please choose one)

11am – 12am library tour (german)

2:30pm - 3:30pm library tour (english)

4pm – 5pm library tour (german)

Thursday, 14.10.2021

(all online)¹

4pm – 4:45pm official welcome by faculty, student council and AStA

6pm – 6:30pm IT-introduction

Monday, 18.10.2021

From 4:30pm Course introduction for Master Biochemistry students by Dr. Haslbeck (via Zoom)³

¹ Access data will follow

² Please register on TUMonline at the course number: 0000005750
