

# ***Freshmen Days 2021 – Program external Master Chemistry***

## **Monday, 11.10.2021**

From 4pm                      Online-Speedfriending<sup>1</sup>

## **Wednesday, 13.10.2021**

*Selection of library tours<sup>2</sup> (all online, please choose one)*

11am – 12am                      library tour (german)

2:30pm - 3:30pm                      library tour (english)

4pm – 5pm                      library tour (german)

## **Thursday, 14.10.2021**

6pm – 6:30pm                      IT-introduction (via Zoom)<sup>3</sup>

## **Friday, 15.10.2021**

*Introduction day*

11am - 11:45am                      official welcome by faculty, student council and AStA (via Zoom)<sup>4</sup>

11:45am – 1:30pm                      course introduction with Prof. Eisenreich followed by a Q&A session (via Zoom)<sup>5</sup>

From 3:30pm                      campus- and faculty tour (meeting point: in front of the faculty), we will finish the evening in the C2 (Campus-Cneipe), event in presence

## ***external Master Biochemistry***

### **Monday, 11.10.2021**

From 4pm                      Online-Speedfriending<sup>1</sup>

### **Tuesday, 12.10.2021**

*All in presence, meeting point in front of the chemistry faculty*

From 4pm                      campus- and faculty tour, we will finish the evening in the C2 (Campus-Cneipe)

### **Wednesday, 13.10.2021**

*Selection of library tours<sup>2</sup> (all online, please choose one)*

11am – 12am                      library tour (german)

2:30pm - 3:30pm                      library tour (english)

4pm – 5pm                      library tour (german)

### **Thursday, 14.10.2021**

*(all online)*

4pm – 4:45pm                      official welcome by faculty, student council and AStA<sup>3</sup>

6pm – 6:30pm                      IT-introduction<sup>4</sup>

### **Monday, 18.10.2021**

From 4:30pm                      Course introduction for Master Biochemistry students by Dr. Haslbeck (via Zoom)<sup>5</sup>

## ***external Master Chemical Engineering***

### **Monday, 11.10.2021**

From 4pm                      Online-Speedfriending<sup>1</sup>

### **Tuesday, 12.10.2021**

*All in presence, meeting point in front of the chemistry faculty*

From 4pm                      campus- and faculty tour, we will finish the evening in the C2 (Campus-Cneipe)

### **Wednesday, 13.10.2021**

*Selection of library tours<sup>2</sup> (all online, please choose one)*

11am – 12am                      library tour (german)

2:30pm - 3:30pm                      library tour (english)

4pm – 5pm                      library tour (german)

### **Thursday, 14.10.2021**

*(all online)*

4pm – 4:45pm                      official welcome by faculty, student council and AStA<sup>3</sup>

5:45pm – 6:45pm                      Course introduction by students from higher semesters and Ms. Holweck<sup>4</sup>

### **Friday, 15.10.2021**

1pm – 1:30pm                      IT-introduction<sup>5</sup>
